BEMY is a **Polish-French** duo of brothers who create an electrifying blend of **pop, indie rock, and electronic** music. Winners of the Polish edition of “**Must Be The Music**” and the **Top Trendy** competition, they were nominated for the **Amber Nightingale Award** at the **Sopot Festival** in 2022 with their single “**6 Seconds**”.

Their debut album, titled “**Grizzlin**” was nominated for a **Fryderyk Award**. In December 2020, the **Netflix** hit movie “**All My Friends Are Dead**” premiered, featuring the band both on-screen and on the soundtrack, prominently showcasing their music.

Their debut single, “**Oxygen**” was covered by **Ed Sheeran** and enthusiastically received by Polish radio stations. The music video for the song even inspired the **Hollywood** feature film “**Life in a Year**” starring **Jaden Smith** and **Cara Delevingne**.

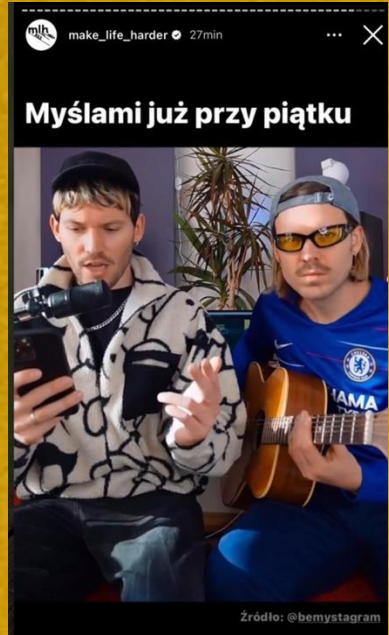

The members of BEMY have co-hosted two seasons of prime-time shows on **RMF FM**: “Summer Play – Love in French” and “The French Key.”

BEMY are a **true powerhouse** on stage, as seen by their performances ranging from **intimate clubs** to **large stadiums**. They have played at major events such as **Woodstock** and the **Sziget Festival** in Hungary. **The band has also opened for international stars, including Maroon 5 in Kraków and Ed Sheeran in Warsaw (twice) and Bordeaux.**

They have performed at prestigious events such as **Wodecki Twist’24, Jarocin Festival, The Voice, Miss Polski, The World Games, Łódź Fashion Week, Reeperbahn Festival** in Hamburg, **Life Festival Oświęcim, Męskie Granie, Spring Break Festival, Fest Festival, and Top of the Top**. Additionally, they have given numerous concerts in **London** and **Brighton**.

BEMY has also supported renowned acts like **Jake Bugg, Nothing But Thieves, and Kensington**.

 Powinniście chyba zrobić taką płytę 🔥 serio. Polskie hity po francusku , nostalgicznie , romantycznie. Czuję, że to jest dobry pomysł noworoczny chłopaki

 Piękne i do tego niebywałe, żeby słowa przetłumaczone de facto 1:1 tak siedziały w muzyce 🥰

In Poland, BEMY has achieved great success with a video series in which brothers Mattia and Elie Rosinski present French-language adaptations of iconic Polish hits. Fans help curate the playlist, and the videos have gone viral on Instagram, Facebook, TikTok, and even television.

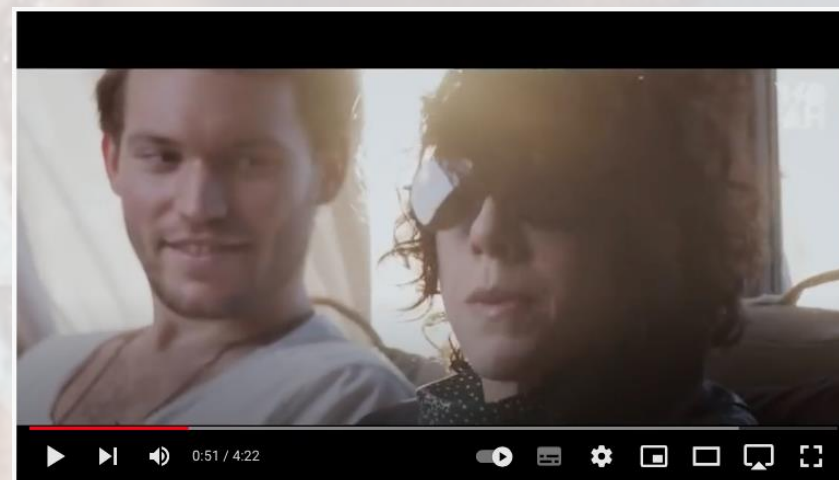

The recordings have been shared by influencers and artists such as **Make Life Harder, Edyta Bartosiewicz, Kasia Kowalska, Gibbs, and Majka Jezowska.** They've also been praised by **Michał Wiśniewski, Małgorzata Ostrowska, Edyta Górniak, Piotr Rubik, Ania Karwan,** and many others.

In 2025, the band plans to release three mini-albums featuring French adaptations of Polish classics. The first special EP is being coordinated in collaboration with the **Zbigniew Wodecki Foundation.** Two tracks, **“Smutek Lubi Mnie”** and **“Słownikowa Samba”** are already available on all streaming platforms, produced in partnership with **SayHi Records.**

The track "**Powiedz Mi To Jeszcze Raz**" released in collaboration with vocalist **Effy**, has garnered nearly **2 million streams** on **Spotify** alone. The artists also recorded an audiobook, which became one of the most significant releases on **Storytel** in 2023.

In May 2024, another special song, "**Popstar**" was introduced to the Polish market, promoting a book about the band's beginnings. The book was released under the patronage of **Radio Eska**.

Their first-ever holiday single, "**Christmas in Poland**" has been featured on **RMF FM** radio since early December 2024.
